### Know before you go and avoid parking tickets!!!

- **You must have your license plate number!**
- **You cannot back into your parking spot!** All cars parked on K-State campus must have their license plates visible, or you will be ticketed.
- **You will need to register your car for each day you park in the garage**. The Promo code covers the entire day with unlimited in and out privileges, but you will need to register for each days you plan to park in the garage.
- **If parking with the Holiday Inn at Campus Hotel**, you will need to ensure the front desk knows you're staying with them and are attending the conference to avoid them towing your car. All questions regarding parking at the Holiday Inn should be handled with the hotel directly. (785)539-7531
- **K-State Parking issues tickets about every 15 minutes.**
